POPPY DAYS — Ronald Barton, totally disabled Korean veteran, receives a poppy from little "Miss Poppy" Mary McDaniel, junior auxiliary member. Barton lives on Mt. Vernon ave. in Lemon Grove and is a member of La Mesa Post 282, American Legion. Looking on is Mrs. Richard B. Wert, poppy chairman.

Sale of Poppies to Aid Disabled War Veterans

American Legion Auxiliary Poppy Days will be held on Thursday and Friday, May 28 and 29. Members of La Mesa Unit 282 as well as units throughout the nation will be on the streets offering little red crepe flowers of remembrance.

Made by disabled veterans for the help of disabled veterans and their families, these bright red memorial flowers are the veteran's way to honor

the dead as well as care for the living. Many of the flowers to be distributed locally have been made by disabled veterans at the Veterans Administration Day Care Center in San Diego. All proceeds from the flowers are used for welfare purposes among veterans families of World Wars I and II and the Korean conflict.

Auxiliary workers and members are making over one hundred and fifty poppy wreaths to be placed on local deceased veterans graves at Fort Rosecrans Military Cemetery.

A flag pole, provided by the Lemon Grove Soroptimist Club will be dedicated. The L.G. Woman's Club Juniors will present a flag which has been flown over the U.S. Capitol building. Incorporation Funds To Be Deposited Mon.

Another area asked exclusion from the proposed City of Lemon Grove as proponents passed the half-way mark in acquiring the \$800 needed to have an election called.

This group of 30 petition signers is from the Tweed st., MacArthur dr., and San Miguel ave. areas at the west end of the community.

Earlier a petition bearing 22 names came from the same area. A petition asking exclusion has been submitted to the Supervisors by residents of the American Homes area which is at the northeast corner of the proposed city and from resi-

dents of Vista La Mesa at the northwest corner.

Historically, exclusions are allowed if they do not form an island. The exclusions will be decided at a hearing after incorporation backers produce \$800 to finance the advertising for hearings and the election.

Frank Armstrong, chairman of the L.G. Committee for Incorporation said Wednesday that the money should be raised and deposited by Monday afternoon. He said the election should be held in October if the present schedule is followed. It calls for five weeks for advertising and setting up hearings

for exclusions; eight weeks for setting up polling places and five weeks for advertising the election.

Lemon Grove School Superintendent Byron Netzley and Businessman Bob Vaught accepted the co-chairmanship of the finance committee. They reported a total of \$435 on deposit as of May 26.

The revised schedule of contributors as supplied by the finance committee is:

Congressman Van Deerlin Here Friday

U.S. Congressman Lionel Van Deerlin will use one of the offices in the building owned by this publication to meet his Lemon Grove Spring Valley constituents Friday.

He will be here to address the L.G. Mens Club and will receive visitors at 11 a.m.

The office is at 7834 Lester ave., Lemon Grove, a block north of Broadway between Imperial and Grove sts.

No appointment is necessary to see the Congressman who is a Democrat. This newspaper is Republican.

WILL NOT RESIGN AFTER ELECTION—BIRD

Dave Bird, Second District supervisor, said Wednesday at a Kiwanis meeting in Spring Valley, "I've lost patience with a political opponent for the first time in many years."

"I had not intended to give recognition to Henry Boney, one of the people who is running against me, but he had come up with some weird statements that I must answer."

"His insinuations, that I am a candidate to win election only to resign and have someone appointed in my place, is not only false, it is deliberately false and he knows it."

"Then, if I can believe his letter, he has challenged me to a debate on television; a debate that would, he says, consist of me telling where I stand on a number of things, several of which are entirely out of the jurisdiction of the Board of Supervisors."

"If I were to debate Mr. Boney, I would suggest we discuss something more to the point than my stand on a 'second entrance to San Diego bay'. I would like to see another channel to the bay but that is of interest only because I am a citizen of San Diego County and not because I am a member of the Board of Supervisors."

"I doubt if Boney expects me to answer him in any form, let alone provide him a platform for him to discuss his views... I doubt if he is sincerely interested in mine..."

Bird then said, "I am running for my seventh term on the Board. I hope that I have been of service to the county. I

have enjoyed being on the Board and hope to have the support of enough voters next Tuesday to continue to serve."

In support of his election effort, Bird read a telegram that was sent to him because of his efforts on behalf of San Diego County:

Your efforts have borne fruit. President Gleason announces that National Association of County Officials directors have elected San Diego for the National Convention July 10 to 14, 1965. Based upon past experience attendance will be about 3,000 persons. You had strong competition from one of California's northern cities but we are pleased to be able to come to San Diego. Please notify the other members of your Board of this decision.

RETARDED CHILDREN TO BENEFIT IN DRIVE FOR NEW SUBSCRIBERS

Solicitations will start this week for new subscribers to this newspaper.

Part of the proceeds from the project will be contributed to the East County Day Center for Retarded Children—Angels Unaware.

Trained solicitors will contact local residents by phone to explain how the project operates.

NEW VENTURE — Local dignitaries look over the area where Lemon Grove's newest business development is to be built soon. In the photo are Forrest Baxter, president, L.G. Chamber of Commerce Amy Sonka, a Lemon Grove property developer; Maria Manu, until recently, Miss Lemon Grove, and C. W. Decker, executive with the Percy Goodwin Co. The property, on Imperial between the First National Bank and Food Basket market, one

block south of Lemon Grove's main intersection, will house a 19,000 foot building to be occupied by Thrifty Drugs by early Fall. Thrifty operation is that of a junior department store.

The development is seen as a boon to the entire local business community.

A formal ground breaking ceremony is planned for Monday at 10:30 a.m. at which local residents are invited to take part.

CIGARETTES WORTH \$500 ARE STOLEN

More than 240 cartons of cigarettes were stolen from Food Basket Market, 3205 Imperial ave., Lemon Grove Saturday.

Store employees found the shelves with large gaps where normally they are filled to capacity when they came to work Sunday morning. The cigarettes, valued at more than \$500, were taken by a burglar who apparently was hidden inside when the store was closed Saturday night. After taking the loot, he made good his exit by filing a padlock on a back door. The door had not been used for two years, according to Burroughs Guinan, a Food Basket employee.

Sheriff's deputies dusted for prints and are pursuing clues.

\$2 Million Pay Raises Go To County Workers

SAN DIEGO (CNS) — This is higher than in the community. Tuesday approved a 1964-65 salary ordinance that will cost just under \$2,000,000 over the amount spent for salaries during the present ordinance.

The board acted to approve the recommendation of the Civil Service Commission made last week after a series of hearings and studies.

Most county employees (85.4 per cent) will get five per cent raises with a few getting ten per cent and some getting 7.5 or 2.5 per cent. No adjustments were suggested for 6.3 per cent.

The employee organization leaders said there was general agreement that the commission had done a good job but that they might return during the year with special recommendations in certain categories.

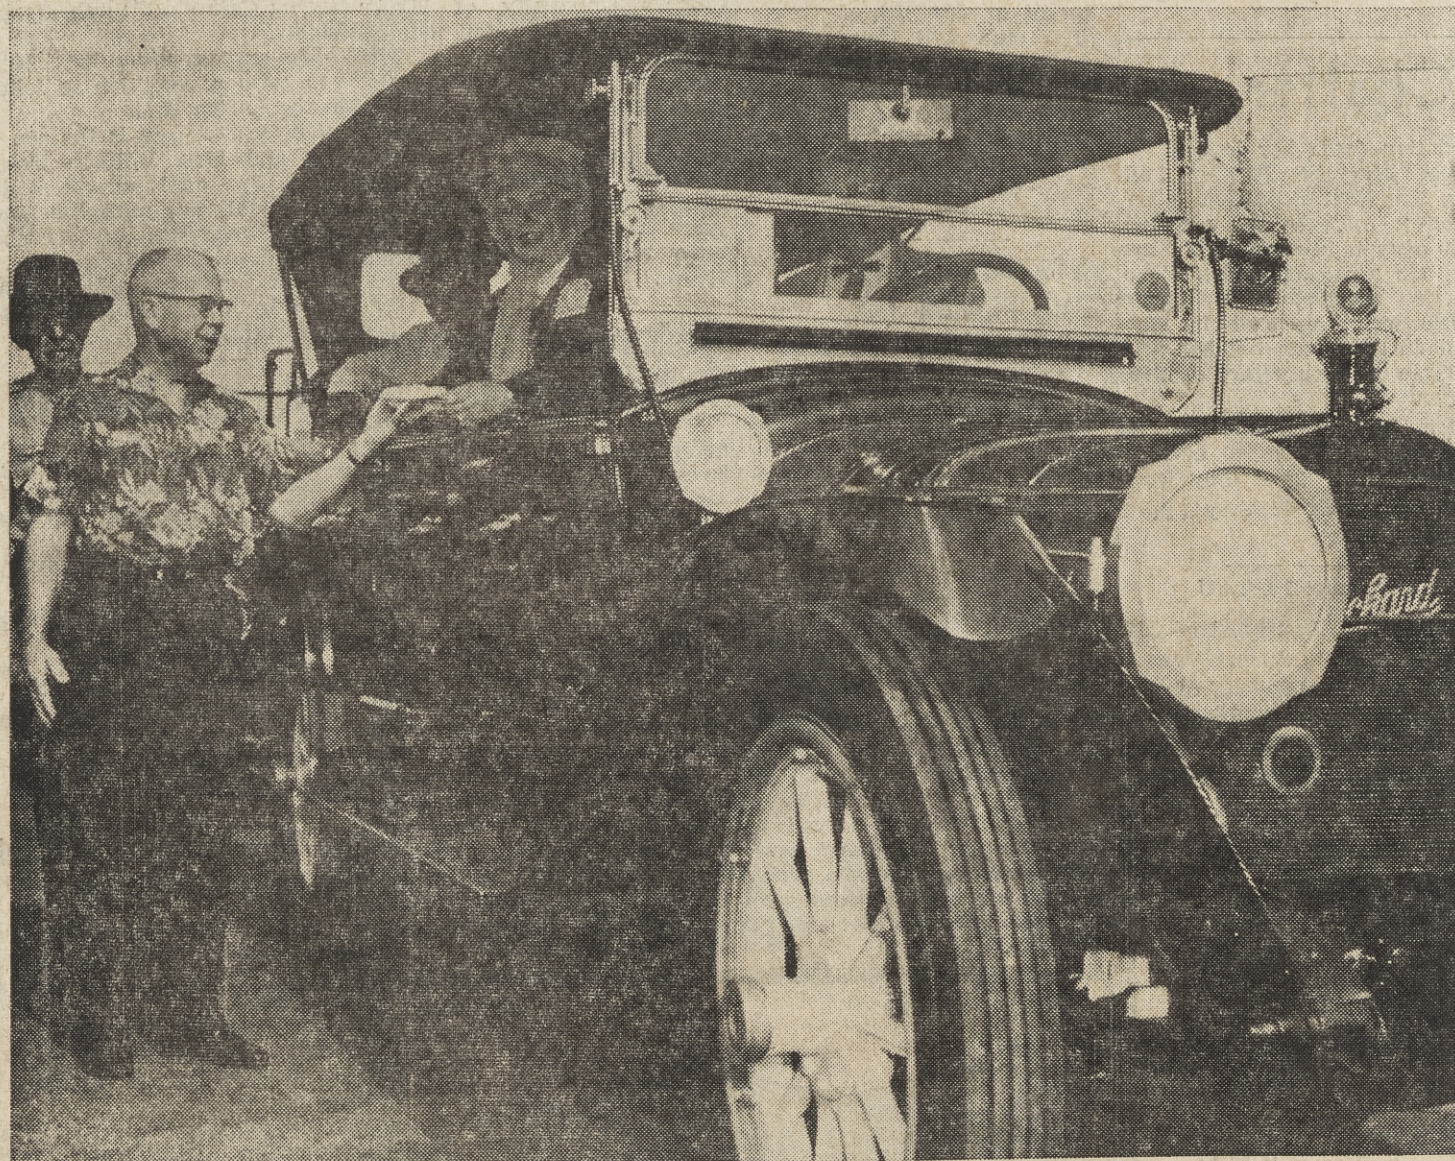

John Leppert of the San Diego Taxpayers Association said that his group was displeased with salaries received by hospital workers for the county. He said that the level

Fire Emergency Number Changed

The Lemon Grove Fire Department emergency telephone number has been changed to 469-4113.

The change resulted from the department's switch to a rotary system. The above number should be used only for emergency said Fire Chief H. L. Hensley. The business office phone number is 466-0564.

Chief Hensley suggested that these two numbers be pasted on your phone or the front cover of your telephone book.

ANTIQUE — Forrest Baxter, Lemon Grove Chamber of Commerce president presents one of the pies baked by local women to honor the Antique Car Club's Parade through Lemon Grove Saturday. Every one of the drivers of the fifty cars in the parade got a pie — and asked for more. Lionesses and Soroptimists baked the pies from locally grown lemons as part of an "Old Fashioned Days" event here. Pic-

tures of the parade will be shown over KOGO at 10 p.m. June 7, according to Burke Ormsby, Channel 10 program director, who arranged the event. Behind Baxter, is Deputy Sheriff Hal Johnston, who serves the business district during the night hours. The auto is a 1914 Packard owned by Roy Davis of San Diego.

Bird's Eye View of the Ballot

When you get into your polling booth Tuesday, you'll get a ballot with only the names on it of the candidates belonging to the same party with which you are registered. You had a chance to study your choices because you received a sample ballot a few days ago.

We consolidated the Republican-Democrat ballots to give you a bird's eye view of the entire slate. Ballots will vary slightly from area to area. These samples are from a district near the midpoint of the Spring Valley-Lemon Grove area.

Polls will be open from 7 a.m. to 7 p.m.

By Mary D. Giacinto

Pattie Phillips, junior cadet of troop 1771 is a mighty industrious go-getter. At her court of awards meeting recently she came out way up on top. In one year she has earned ten merit badges; chef, hostess, dabbler, collectors, sewing, and more. Pattie takes it all in her stride for she likes to keep active. All the scout leaders are proud of you, Pattie, and so is Lemon Grove. Keep it up. That's the way to keep life interesting and happy.

The officers of the La Mesa Writers Club have been asked to serve one more term, the term of office to begin immediately. Officers are Mrs. Mary Giacinto, president; Mrs. Ann Lannie, vice-president; Mrs. Charlie Gray, secretary; and Luther Smith, treasurer.

Honeymoon Island is a small island on the west side of Florida, and is owned by one man. The story goes that this man visited the island many years ago while on his honeymoon. At that time he had very little money and he vowed that should he ever become rich he would buy the island and set it up for honeymooners.

Mrs. Giacinto's movies showed the island as a partial jungle, with beautiful ferns and undergrowth. A water taxi takes persons to and from the mainland, and there are just a few palm-thatched cabins.

to the local office of the sheriff's department here.
Three male juveniles are reported to have taken tires while parked at the side of the building occupied by L.G. Tire Co., 7319 Broadway, during the evening hours Friday. A witness said he saw them toss several tires into their station wagon after which they drove hurriedly away.
The witness supplied police with the license numbers of the vehicle and the youths will face questioning by police later this week.

Monday, employees of B.F. Goodrich Tire Co., at 7285 Broadway, saw two youths take a tire from the top of a tire display stack and throw it in the rear of their car. The pair sped east on Broadway while employees yelled at them to stop. License numbers were

they are lower than salaries paid in county hospitals in the eight largest counties.
John Quimby said the salary ordinance was a conservative one. He said the commission had used many types of comparison in arriving at its decision.
Swanson said the ordinance would put this county in the medium range of other counties in the state but that advances in other counties will probably leave San Diego County in the lower half when all counties have acted.

Leppert said that he did not agree that the ordinance was a conservative one and said that he could not understand how the hospital workers could be so much ahead of private workers in the same category.
Dodge Dean, manager of the County Employees Association, said he would like to see this county lead rather than follow other counties in salaries.

Henry Boney Claims Gains In Sups. Race

The hotly contested race for the 2nd Supervisorial seat may be decided June 2 if one of the four candidates captures a majority of the total votes cast. Henry Boney, prominent civic leader and Dave Bird, the incumbent supervisor, appear to be front-runners.

Speaking before the National City Republican Women's Club Luncheon, Boney claimed "substantial gains" from his Home to Home Campaign. "The incumbent has bogged down," Boney said, "after 24 years he

is taking voters for granted, and they want a change." Boney stated that he "will bring to the Board of Supervisors fresh ideas and the energy to back them up!"
Boney's stand on current issues include increased promotion of tourism, immediate action on a second channel into San Diego Bay, defeat of the proposed four per cent room tax, rejection of the County lobby proposed by Washington, D.C. and a close look at property tax assessment.

LETTERS TO THE EDITOR

Dear Editor:
As press chairman of the Lemon Grove Woman's Club Juniors, I wish to express the appreciation of the club members for the fine cooperation we receive from your newspaper. The amount of space given annually to our club projects is inestimable. With all the communications media available these days, it is still the newspaper that puts information into our hands in retainable form — to be read, digested, and kept.

Sincerely,
Marcella M. Franken

SAYS ARTICLE IS MISLEADING

Dear Editor:
This is to take issue with your article last week on my possible appointment as supervisor in a few years.

You have been completely misinformed. First, it takes a certain type of person for a certain type of job. I have never had any interest in being the supervisor and have so stated many times. I haven't the interest, ability, or desire to serve in a supervisory capacity and there is no set of circumstances that would cause me to accept such an appointment even if it were offered to me.

My service as a planning commissioner is gratifying, although the job carries no salary as such. Commissioners receive \$20 each meeting and often there are several days of research needed to prepare for the meetings.
The reward for this service however, comes from serving

under people like Supervisor David W. Bird. His integrity and his constancy make the job of serving on the Planning Commission an acceptable community chore. Under a lesser man than Supervisor Bird I would not sacrifice my time nor energy.

All of this is to set you straight on your misleading article of May 21. It just isn't factual. I would unqualifiedly turn down an appointment as supervisor under any circumstances. And just to keep the record straight, it will not be offered because I have neither the qualifications nor the interest in the position.

Dear Editor:

As Outside Publicity Chairman for the San Altos PTA, I wish to thank you sincerely for your friendliness and courtesy, and always complete cooperation dealing with our articles.

The school has received a Gold seal for good publicity this year, and of course I must share this success with you. Without your coverage and photographs, we would not have accomplished any of the requirements.

This was my first year in PTA and thanks to the Lemon Grove Review, it's been very pleasant.

Take Vets Off Welfare Asks Thomas

An adequate pension program for veterans of World War I was advocated by Daniel B. Thomas Gearin, 3462 Niblick dr. for Congress in the 37th District.

Thomas spoke Tuesday at a coffee hour held in his home at the home of Mr. and Mrs. Thomas Gearin, 3462 Niblick dr.

"I believe that our Federal government has an obligation to provide pensions for the needy veterans who have honorably served our nation in time of war," Thomas said. "This principle becomes increasingly important in an era when the average life span is on the increase."

"The men who serve our nation in time of war risk their lives and make many financial sacrifices to preserve the security of the United States and its civilian population. The least a grateful society can do is to make provision for needy veterans in their retirement years."

"I certainly believe that the pension approach is more satisfactory than the welfare approach which for many veterans would seem to be the only other alternative."

"Forcing veterans to take welfare," Thomas said, "strikes at the fundamental gratitude which we owe these men for their honorable service. I believe in the dignity of the pension approach to the problem."

"As a member of Congress,"

Thomas concluded, "I shall do all in my power to secure passage of a World War I veterans pension program. Such a program is long overdue and should not be delayed for another congressional session."

Donovan Slaps Dail On School Tax Issue

State Assemblyman Richard J. Donovan (R-77th District) this week issued a stinging rebuke charging John Dail of Lemon Grove, candidate for the Democratic nomination in Donovan's district, with the most fundamental lack of understanding of state matters or deliberate distortion of the facts. "I've been tolerant and patient with this man knowing he is pretty desperate to win the nomination; and up to the time he favored God, mother, our country, and education, I felt constrained to let him carry on," Donovan said. "However, John Dail has demonstrated his total lack of understanding of the operation of state government by his attacks against what is generally considered the second most important school finance bill of the 1964 Legislative Session."

Donovan referred to the school district tax rate measure which he introduced and successfully guided through the Legislature. The Donovan bill, AB 37, permits an increase in the statutory school district tax rates.

"Dail assails an increase in local property taxation allegedly resulting from my bill without having checked the facts," Donovan charged. "My bill effects only those districts in the state which have not assumed their fair share of the support of our vital educational institutions. He obviously does not know, nor bothered to learn, that there are many districts in the state whose tax rates are insufficient to make them eligible for supplemental state aid. AB 37 makes it possible for these districts which are impoverished to get maximum state support without the necessity of an override election."

"It is inconceivable to me that a candidate for such an important state office could possibly hope to get elected without having the vaguest understanding of such a vital and basic necessity as school financing."

Donovan cited the congratulations he had received from veteran legislators of the Assembly and Senate and of both parties on the passage of his bill.

Rick McGuffin was chosen most valuable.

Those who lettered in spring varsity sports were: baseball—Tony Backer, Ed Collins, Dennis Craig, Bud Edwards, Bob Forrester, Larry Godley, Dave Junker, Gene Klukas, Jon Majors, Rick McGuffin, Ed Miller, Dan Robertson, Dan Smith, Ron Wescott and Scott Wilson.

Track—Larry Bennett, Larry Calfee, Tom Dahl, Garp Fegan, Rick Geer, Ed Gerrish, George Gray, Bruce Hamilton, Mike Kelly, Maynard Olsen, Fred Sykes.

Tennis — Mike Boas, Bruce Carlson, Phil Diehl, Bob Divine, Dave Urbanac, Bob Hendrickson, Frank, Kalanoski, Larry Vandeventer.

Here's why your friends and neighbors are voting for Henry BONEY FOR SECOND DISTRICT SUPERVISOR

There's nothing wrong with San Diego County that a little far-sighted thinking and imagination won't cure. The way I see him, Henry Boney is a man who has the vision and enterprise needed to help San Diego County boom.
ROSARIE GRAHAM—Housewife Spring Valley

I think Henry Boney will make an excellent Supervisor. He is a successful businessman, very capable, young, and would have the time to work for the interest of the people.
BEN CERVENY Alpine

Henry Boney's success in business shows he is a capable administrator. Today we need men with his business ability to run our county government.
JOHN BRIDGER—Realtor Lemon Grove

Henry Boney is a successful businessman. Not just capable, but highly qualified for the office of Second District Supervisor. San Diego County is fortunate to have a man offer his services, with such dynamic leadership.

DON CROSHIER—Grocer Imperial Beach

I am supporting Henry Boney for Supervisor because as his pastor I know him to be a man of high moral integrity, loyal to his church and faithful in upholding its spiritual values by his attendance, his gifts, and his services. As a close friend, I recognize in Henry Boney a man of sound business judgment, imagination, and energy—qualities I believe we need in a supervisor.
REV. HERSCHEL HEDGPETH—Minister La Mesa

Mr. Boney is tops in my book and I think he is just what we need. We need a change in the Board of Supervisors and I believe that Henry Boney is well suited for the job. He is a good businessman, he's young and successful, and he's what San Diego County needs.
BOB WILSON—Service Station Alpine

Henry Boney is a successful man because of hard work and good business judgment. I feel his talents and interest can make San Diego County prosper and live up to its potential.
MRS. J. RICHARD TEAGUE—Housewife La Mesa

Henry Boney will fill the need for a full time Supervisor that will work toward solving the South Bay area's problems.
J. D. CASILLAS—Management Analyst Chula Vista

The man with Henry Boney's know-how in business certainly would and could bring this knowledge with him into the office of County Supervisor, which would be of great help in getting jobs in the county, along with business and industry.
R. PAUL REYNOLDS—Business Mgr. Lemon Grove

Henry Boney is an example of one who believes in the Free Enterprise system. His sincerity of purpose and dedication to mankind will make him an excellent Supervisor.
DR. JAMES P. VERNETTI—Dentist Coronado

I have known Henry Boney for 12 years. He enjoys a good reputation in every respect. He is a successful businessman and I am sure will do a fine job as supervisor.
ALBERT J. YOUNG—Insurance Agent Chula Vista

Henry Boney's successful background in business, coupled with his many community duties, highly qualifies him for the post of County Supervisor.
CAPT. P. H. PERKINS—Shipbuilder El Cajon

The Second District is fortunate to have a man with the capabilities to San Diego County. We could do no better.
HARRY HEARNS—Businessman Coronado

It is my considered opinion that the dynamic personality and general business "know how" of Henry Boney will be the needed boost for the economy of the entire San Diego County area. Not only will he inject new businesslike ideas into his 2nd District, but by his influence and enthusiasm with the other members of the Board of Supervisors, San Diego's total economy will, in my opinion, receive a tremendous boost.
CHARLES E. CORDELL—Insurance El Cajon

Having watched Mr. Boney's business ascend from a small fruit stand in 1946 to a highly successful grocery business, and also knowing Mr. Boney from his work in Boy Scouts and service clubs, I have grown to admire him greatly. It would be a high compliment to our county government to have him serve as Supervisor.
FOREST BAXTER—President, Lemon Grove Chamber of Commerce

Being in business in the South Bay area, I am extremely interested in the future of San Diego County. Henry Boney is a successful businessman and civic leader and I feel he would be equally successful in helping build a better future for San Diego County.
JAMES H. BROWN—Insurance Chula Vista

Henry Boney's broad and successful experience as a self-made man in the grocery business qualifies him for community-wide support in this campaign. Success in the food industry depends on awareness of the needs of the public and this same awareness will be a terrific asset to those who want businesslike representation in County government.
R. B. MONEYMAKER—Trade Association Mgr.

Henry Boney has tremendous business ability and his experience and personal character are unimpeachable. It's a pleasure to see an outstanding citizen like Henry Boney running for Supervisor. His achievements in the philanthropic and business fields are indicative of the type of work he will devote to our District.
GLADYS NELSON—Homemaker Coronado

"I became acquainted with Mr. Boney the week I arrived in California and became associated with him in business. His accomplishments in the business world certainly make him a worthy man to help run the county business."
JOE DI RIENZO—Businessman Chula Vista

An easy smile joined with strong convictions mark a man for success. That mark is on Henry Boney.
REV. JOHN K. SORENSON—Minister El Cajon

Mr. Boney is the type of man we need. Progressive, successful, and with the best ideas and ideals for the county.
ALICE NEWTON KRESS—Teacher La Mesa

San Diego County would be fortunate to have a man of Henry Boney's accomplishment and ability on the Board of Supervisors. Rarely does a man with these qualities volunteer to serve his County in public office. His business acumen, courage, and vision will greatly benefit San Diego County.

MINISTERS and Spiritual leaders that are supporting DAN THOMAS for CONGRESS 37th district

It is an honored privilege to recommend to the voters of the 37th district, Dan Thomas for Congress. As his pastor I have observed Mr. Thomas's life in relation to church, business, and family related responsibilities, and find that here is a man worthy of position because of dedication. Miguel Wrestler To Face Champs On Tour of Japan

Mount Miguel's J. Robinson has wrestled himself to Japan this summer.

The 17-year-old Miguel senior will be one of eight members of the California All-Star Post-graduate High School Wrestling team.

The other Miguel seniors, Jimbo Stevens and Mike Rudluff were also in the Fresno competition. Both will serve as alternates to the winners in their divisions.

Robinson will leave the United States on June 13 for Hawaii. After a week of training in Hawaii, he will travel to Japan for the three-week tour. The team will visit a different high school each day, which means the wrestlers will be required to wrestle all the days of the tour.

The three Miguel wrestlers were the only qualifiers from San Diego county.

Snodgrass Opposes Centralization and Bureaucracy Trend

Herman Snodgrass, candidate for supervisor in the 2nd district, told a recent meeting of the Coronado Citizen's Committee that "the least government is the best government."

He said that the present rapid trend toward bureaucracy and centralization must be stopped. Local control is essential in solving the particular problems of each community, he said.

In speaking on lowering taxes and eliminating waste, Snodgrass said that home owners and businesses were paying a disproportionate share because they are assessed in one of the higher categories.

Snodgrass also said that the board of supervisors should take a more active part in the retention of Navy and aerospace industry in this area.

Mt. Miguel Swimmers Win Six First Place Awards

Six out of eighteen first places went to the Mount Miguel swimming team at San Diego State last Friday.

The Matadors took Classes B and C, winning two out of three Southern Section CIF titles. Miguel also swam away with five new CIF records.

Placing first for the Matadors were: C-200 Medley Relay 2:00.8; C-100 Breaststroke, Dick Mullen 1:14.2; B-200 Freestyle Relay, Mount Miguel; B-200 Freestyle, Long 2:07.4; and B-200 Individual Medley, Dawson 2:21.9.

He also said that this was "probably the best season Mount Miguel has had" and he

In addition to his numerous Navy assignments he also served as technical advisor in the filming of the motion picture Windjammer.

Steele Canyon Residents To See Zoning Proposal

A public meeting sponsored by the Steele Canyon Civic Association will be held at 7:30 p.m. Monday, at Oslar's Cafe on State Highway 94 (Campo Road), 1.3 miles east of Steele Canyon rd. The purpose of the meeting is to give interested persons an opportunity to view the tentative regular zoning plan, comprising approximately 2 square miles, which is proposed to replace and is identical to the present interim zoning now in effect in the Steele Canyon area. Members of the County Planning Commission Department staff will be present to explain and answer questions regarding the proposed plan.

Proposed are: A-3(8) agricultural zoning for the existing dairy located in the northwest corner of the area; A-1(8) agricultural zoning for the rough terrain south of the dairy and in the northeast corner, and A-1(1) agricultural zoning for the remaining area along both sides of State 94, except for a small neighborhood commercial zone at the intersection of the highway with Steele Canyon rd. A brief summary of the zones: A-1 (1) One single-family dwelling on a minimum building site of one acre. Crops of all kinds, plus a "family supply" of poultry and/or small animals (25), and cows, sheep, goats or swine (2). (Horses for personal use may be kept in any zone.) A-1(8) — Same as A-1(1) except that the minimum building site is eight acres. A-3(8) — Same as A-1(8), plus unlimited poultry and small animals. Dairies, stock feeding and hog ranches on parcels over four acres in size upon issuance of a special use permit. C-All residential uses, except trailer courts, plus

offices and all types of retail business conducted inside buildings. No minimum lot or building site requirements.

The informal public hearing will give residents and property owners an opportunity to see the tentative zoning plan, to hear it described, and subsequently to submit written suggestions for its improvement. All suggestions for changes will be reviewed by the Zoning Committee of the Civic Association together with the Planning Department before the plan is recommended to the Planning Commission.

The Commission then will hold a public hearing on it, after which it can recommend a plan to the Board of Supervisors. The board then will hold a public hearing on the plan before it is adopted by ordinance.

Sups. To Wait On Motel Tax

SAN DIEGO (CNS) — County Supervisor De Graff Austin last week moved for the approval of a county hotel-motel tax of four per cent to be levied on transients, but the rest of the board decided to hold up action until they see what the cities in the county do.

Residents of hotels and motels and other types of transient housing would be taxed under the new ordinance only if they remained in residence less than 30 days.

Austin said the tax should be passed with the policy statement that the money raised would be used to promote tourism. Chief Administrative Officer T. M. Heggland said that he expects the tax would raise from \$60,000 to \$65,000 a year.

The county already spends more than that to promote tourism. It gave the San Diego Tourist and Convention Bureau \$100,000 for the present fiscal year.

The board indicated that it would pass the room tax ordinance when similar action has been taken by cities.

CTA Petitions Forced School Aid Action—Dail

John Dail, Democratic candidate for the 77th District Assembly post, hailed the action of the California Teachers Association of postponing the filing of petitions to place a school support measure on the November ballot. The CTA reached its decision Sunday at an all-day meeting of the council in Burlingame.

He had signed the petition and pledged his support to work for adequate state money for public schools and said he believes that gaining over one million signatures for the ballot proposition influenced the legislative action last week that produced an additional \$120 million for support of education in California.

"I agree with Assemblyman Garrious, chairman of the education committee," he said. "When he told the CTA State Council Sunday that this substantial money bill was passed because the CTA demonstrated, through its initiative proposal, that the people of this state want the best schools for their children. Over 1,000,000 signatures obtained to date prove that."

He said that prior to passage of the appropriation bill, the Legislature had done little over the last four years to ease the growing tax burden of the local property owner. "Now there is an indication that the Legislature is beginning to shoulder its responsibility."

SAVINGS BONDS
Lemon Grove Community Chairman for United States Savings Bonds, Jack W. Koop, reported latest sales figures and data on their impact on the economy of this area, as Operation Security moved toward a July 4 climax.

San Diego County sales of Savings Bonds for the year through April amount to \$7,105,134. Last year's first four months' sales were \$5,115,524.

The board indicated that it would pass the room tax ordinance when similar action has been taken by cities.

Michael Redon Assigned To Florida Air Base

DENVER, Colo. — Airman Second Class Michael C. Redon, son of Mr. and Mrs. Charles H. Redon of 2038 Bonita st., Lemon Grove, has graduated from the technical training course for U.S. Air Force missile guidance mechanics at Lowry AFB, Colo.

Redon, who learned to repair the Mace missile guidance checkout equipment, will go to Orlando AFB, Fla., for further training.

A SENSE OF TIMING

By Joan Taylor

Timing is important. A touchdown is made because the player had good timing as well as swift feet. The winning of a race depends more on the jockey's sense of timing than on the swiftness of the horse. The horse may be swift, but the jockey knows how to control him. The first robin to sing in the Spring has a built-in time clock — sounding its alarm on time, as all of the seasonal changes are controlled by Nature's grand sense of timing.

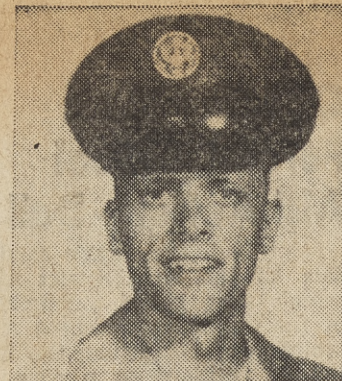

Timing may indeed be man's gift from Nature, or how else would he know when to plant roses, or when to get his space craft off its launching pad? And what about foresight in building? Take the Vetrano-Brown Corporation, of 6055 Farinout Ext., in San Diego, specializing in apartment structures and commercial buildings. Such a reputable, dependable, state licensed builder knows the value of timing. He anticipates the needs of a greater population as people from every state in the country migrate to San DiegoLand. There's a new look to San Diego, and those sleek, sparkling, tall buildings tell the story, for the spotlight is on progress and on Vetrano-Brown — for their contributing part to a greater and better San Diego!

Ticket prices to the three summer musicals in Balboa Park Bowl have been reduced to \$1 for the unreserved section; \$2, \$3, and \$4 for the reserved seats.

Michael Asher Wins Air Force Contest

Airman 2nd class Michael Asher, son of Mr. and Mrs. Alex E. Asher of 2008 Englewood dr., Lemon Grove, won the Air Force Music Talent contest recently at Shaw AFB, S.C.

He will now make an Air Force film in Orlando, Fla. Asher, now stationed at Clinton Sherman AFB, Okla., was active in singing groups at Mt. Miguel High School and the Lemon Grove First Congregational Church.

BUSINESS ACTIVITY

Southern California's business activity rose slightly during the month of April but still remained below the record mark set last February. Harold E. Holsonback, manager of Security First National's College Grove Branch, reported this week.

On the basis of year-to-year comparison, the local economy is continuing to operate at a level of more than seven percent over 1963, Holsonback said.
